

## What's next after learn to skate....

### Hire

#### Hire private coach

- There are many reasons for a private coach, from supplementing group lessons to beginning to compete more seriously. When it's time to start private lessons, ask your distributor for some local suggestions or call for a list of coaches at the club.

### Compete

#### Compete to show off what you've learned

- **Weekend Trials** - Skills and routine skaters compete against themselves, skills, jumps and step sequences. Participants must perform three jumps and sets to sets jumps and spins.
- **Invitationals** - is held at the different parts of town, including rhythm, interpretation of the music and creative steps. Skaters from all over the area compete and receive an award.
- **International Skating** - 8-10 skaters perform intricate figure skates and transitions sets to sets on the ice.

### Test

#### Take US Figure Skating tests for progress through levels

- Shows in the Field, Ice Skates, Pattern Dance, Free Dance, Pairs
- Club membership is required to take USFS tests.
